

STATEMENT OF SUBSTANCE OF INTERVIEW

The following is a statement of substance of the interview conducted on February 9, 2009, between Applicant's attorney, Elliott Chen and Examiner Faruk Hamza. Initially, Applicant would like to thank Examiner Hamza for his time discussing this matter with Applicant's attorney.

During the interview, Applicant's attorney and Examiner Hamza discussed the fact that Claims 25-49, as newly added in the Response to Office Action filed on October 9, 2008, were withdrawn from consideration as being directed to a non-elected invention due to constructive election/restriction. Examiner Hamza stated that the Applicant should file a RCE so that the Examiner will withdraw the restriction of Claim 25-49 and examine Claims 25-49 in a subsequent Office Action. Accordingly, the Applicant agreed to file a RCE to continue prosecution so that Claims 25-49 may be considered by the Examiner.

REMARKS

The patentability of Claims 25-49 was discussed in the Remarks of the Response filed on October 9, 2008. For the sake of brevity, the Remarks are not repeated herein, but are merely incorporated by reference from the Response to Office Action filed on October 9, 2008. Thus, applicants respectfully request reconsideration of the application in view of the incorporated remarks.

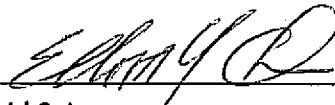

CONCLUSION

For at least the foregoing reasons, Claims 25-49 are in condition for allowance. Applicant respectfully requests reconsideration and withdrawal of the rejections and an early notice of allowance. If any issue remains unresolved that would prevent allowance of this case, Applicant requests that the Examiner contact the undersigned attorney to resolve the issue.

Respectfully Submitted,
